National Tree Week
22-30 November 2025

A future filled with trees
National Tree Week

A single action can make a big difference
National Tree Week

National Tree Week

Spread the word
National Tree Week

A tree-filled future for all
National Tree Week

Keep sharing the love
throughout the year
National
Tree Week

“Trees and hedgerows help us tackle climate change, provide homes for wildlife, improve our health and so much more. We need to help them back and by getting involved, you’ll be part of growing a greener, tree-filled future for all of us. We’re so grateful to everyone across the UK for taking part in National Tree Week”

– Sara Lom, The Tree Council CEO
